Long-term, intentional urban ministry experience!

CSM

CENTER FOR STUDENT MISSIONS

Urban Missions and Service Experiences for Youth, Adult, and Family Groups.

What is a CSM Apprentice?

If you are looking for a longer-term, more intentional urban ministry experience - this opportunity is for you!

Time Frame

Apprentices should expect to begin in October and be in the program through either May or August.

The primary purpose of the CSM apprenticeship is to prepare the next generation of Christian urban leaders. The program is designed as a hands-on learning and training program that will prepare women and men in leadership skills and development, personal and spiritual growth, and hands-on experience while also assisting CSM and city partners in the work of serving often-forgotten people in the city they serve.
