

Dear Ministry Partner,

Hello! I pray that this letter finds you well. It sure is starting to warm up and get green here in Boston. I love the new life that late spring ushers in!

Things are going well here at The Center for Student Missions. We are gearing up for a fantastic (and very busy!) summer season. I was able to facilitate the hiring of 74 summer staff and I'm currently in the midst of three major communication projects – facilitating the creation of a new promotional DVD, assisting in putting together a new online employment application system, and partnering with a graphic designer to rebrand the “look” of CSM.

As you know, my major responsibilities require me to spend a great deal of time on a computer. This need will increase upon completion of the projects we are currently working on. In order to do my ministry well, especially when it comes to design, I need a new computer.

Here's where you come in. I'd like to ask you to help me get a refurbished Mac. It is the computer that is ideal for the design programs I need to use on a daily basis. The cost is \$1,269.00 for the computer and \$648 for the necessary computer programs - \$1,917.00 in total.

There is a way you may be able to help our ministry. If you would like to help me purchase this vital piece of equipment, I'd like to ask you to contribute towards the purchase. Even a small gift of \$50 would help! If you could help with more, I would gladly welcome your generosity, as this will get me to my goal sooner.

Here's what you can do to contribute to this missions project:

- Donate via credit card: www.csm.org/donate.php
 - Please make a note that this is for the “Computer Project”.
- Send a check to: CSM, PO Box 900, Dana Point, CA 92629-0900
 - Please include a separate sticky note indicating that this is for the “Computer Project”

By helping me get a new, more efficient computer, you will be helping our ministry much more effectively “provide an effective ministry experience that transforms lives, empowers churches and communities and honors Christ”.

Blessings,

Sarah Sotelo
Director of Communications
