

# CSM URBAN INTENSIVE

## Jump into urban ministry!

CSM is excited to announce its first ever "Urban Intensive". College students from around the nation will join together to learn more about urban missions, engage in intentional conversations regarding social justice issues, hear from guest speakers and partner hands on with some fantastic urban ministries!

## Who? Where? When? \$?

All **college-aged students (18-22)** are invited to apply for this unique opportunity!

This year's Urban Intensive will be held at **CSM Nashville**. You will be based out of Eastland Baptist Church and travel throughout the city.

Join us **August 8-14, 2010!**

The total cost for this adventure is **\$275** per student. This will cover your food, housing, and transportation while you serve. **All participants are responsible for their transportation costs to/from CSM.** You are encouraged to fundraise this amount and CSM will happily provide you with resources to get you started!

Here are some important dates to keep in mind:  
**May 20** – CSM will let applicants know whether they have been chosen for this program.  
**July 1** – your \$275 fee is due in our Home Office.  
If you were chosen for the program and do not pay the fee by this date, your spot will be given to someone on the wait list.

## What will I be doing?

The first half of the trip you will experience a typical CSM mission trip – serve at ministry sites, eat at amazing ethnic restaurants and have the opportunity to hear from some amazing guest speakers (ministry partners, homeless advocates, community development leaders, etc) to learn more about the issues facing urban centers today. Your time in the city will be guided by one of CSM's full-time urban missionaries.

The second half of your trip you will partner directly with a special project at one of CSM's ministry sites. We will try our best to partner you with a project that fits your individual ministry passion whether that be: teaching classes to the homeless community, running job skills clinics, working in HIV/AIDS education, community garden, community outreach through food and fellowship, grassroots nonprofit ministry building or participating in a chaperoned overnight street plunge.

There are **only 14 spots available**, so email [intensive@csm.org](mailto:intensive@csm.org) for an application today!

"If Christians are to make an impact for the Kingdom in the 21st century, they must live out the call to be Jesus' hands and feet to the poor and needy. CSM gives young people and adults the opportunity to do just that in North America's inner-cities."  
**-Tony Campolo**

CSM's mission is to *"provide an effective urban ministry experience that transforms lives, influences churches and communities, and honors Christ."*
